### Product Description

The high end Wine Library from GEMM. Made from only the best materials available on the market. Stainless construction with mirror finish interior this cooler would be a great addition to any premium restaurant wanting to display its wine to perfection. Everything about this cabinet is about quality. From the crisp white LED lighting to the silenced refrigeration system (only 43dB), the WL5-222S with dual temperature zones can store both red and white wines at the perfect temperature ready to serve. There are also multiple shelving options to display your wine in the best possible way.

### Features and Benefits

- Fully automatic
- Fan assisted cooling
- Lock
- Adjustable shelves
- Adjustable feet
- LED interior light with switch
- Digital controller and temperature display
